URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking Expressions of Interest and Quotations for the provision and installation of high-quality Solar Compact Integrated Lights.

Overview: We are excited to announce that Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking Expressions of Interest and Quotations for the provision and installation of high-quality Solar Compact Integrated Lights in various public places such as markets, chowks, religious sites, and other community areas.

Project Location: Bilaspur District, Himachal Pradesh.

Specifications:

- Solar Photo Voltaic Module: 40 W
- Bulb: 15 Watt LED
- Battery: Lithium Ion Battery 18 AH Li Po 4
- 6 Meter Pole 3 inch Diameter

Requirements:

- Letter of Expression of Interest
- Detailed Quotation
- GST Certificate (if applicable)
- Copy of Bank Passbook or Cancelled Cheque
- Relevant Work Experience Certificate from past organizations/companies
- Delivery Note of previous work

Requirements:

- 40% at the time of contract signing
- 40% upon completion of work
- 20% after successful quality inspection

Please email your tender/EOI: Include your company profile, experience, and past projects @ procurement@sanjeevaningo.org.

"We invite interested and eligible vendors to submit their best quotations and expressions of interest for the above-mentioned solar lights. This initiative aims to enhance the safety and illumination of our public spaces, leveraging reliable solar energy solutions."

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) and Detailed Quotations for establishing vibrant activity corners in primary schools, in Kangra District of Himachal Pradesh.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti invites qualified vendors to submit Expressions of Interest and Detailed Quotations for establishing vibrant Activity Corners in primary schools, designed to stimulate cognitive learning and enhance student engagement through playful activities.

Activity Corner Specifications:

The Activity Corners are aimed at boosting cognitive learning capacities in young children and generating interest through playful activities. They should:

- › **BaLA Work:** Create a colorful and creative environment using BaLA (Building as Learning Aid) work.
- › **Playful Teaching Aids:** Provide playful teaching learning aids to encourage student creativity.
- › **Play Equipment:** Include swings, sliders, climbers, see-saws, etc.
- › **Arts and Crafts Corner:** Set up a dedicated area for arts and crafts activities.
- › **Sports Kits and Indoor Games:** Ensure the availability of basic sports kits and indoor games.

Key Considerations:

- › **Space Availability:** Proper selection and provision of space within the school for the activity corner.
- › **Student Engagement:** Design the activity corner to stimulate cognitive learning and enhance student interest and attendance.
- › **Inclusive Environment:** Ensure the activity corner is accessible and inclusive for all students.

Vendor Requirement:

- › **Company/Individual Profile:** A comprehensive profile of the company or individual.
- › **Proof of Previous Experience:** Documentation showcasing prior experience in similar projects.
- › **Detailed Quotation:** A thorough and itemized quotation for the proposed services.
- › **Details of Past Projects:** Specific information about previous projects, highlighting relevant experience.
- › **Installation and Experience Criteria:** Evidence of capability in installation and past experience.

Please email your tender/EOI: @ procurement@sanjeevaningo.org.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for establishing comprehensive school libraries in Kangra District in Himachal Pradesh.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti invites qualified vendors to submit Expressions of Interest and Detailed Quotations for establishing comprehensive school libraries that act as learning hubs, fostering confidence in reading and contributing to overall personal development.

Library Specifications:

- › **Space Selection:** Be set up in a proper space within the school, either in a separate classroom or within each class as per standards. The space will be provided by the school.
- › **Age-Specific Books:** Include age-appropriate books covering a wide variety of subjects such as leisure reading, general knowledge, arts & crafts, and more. For primary classes, books should enhance child learning and cognitive development.
- › Explore the provision of a **digital library** as an additional resource.

Key Considerations:

- › **Target Audience:** Libraries are intended for all school levels, tailored to age-specific needs.
- › **Teacher and Staff Engagement:** Ensure that teachers and staff are trained to utilize and maintain the library effectively.

Vendor Requirement:

- › **Company/Individual Profile:** A comprehensive profile of the company or individual.
- › **Proof of Previous Experience:** Documentation showcasing prior experience in similar projects.
- › **Detailed Quotation:** A thorough and itemized quotation for the proposed services.
- › **Details of Past Projects:** Specific information about previous projects, highlighting relevant experience.
- › **Installation and Experience Criteria:** Evidence of capability in installation and past experience.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for establishment of Science and Mathematics Laboratories for schools in Kangra District of Himachal Pradesh.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti invites qualified vendors to submit Expressions of Interest and Detailed Quotations for the creation of state-of-the-art Science and Mathematics Laboratories for schools, in accordance with the National Curriculum Framework (NCERT Curriculum and/or applicable State Board Curriculum).

Laboratory Specifications:

The laboratories should be equipped with the latest devices and experimental kits to foster a collaborative, practical learning environment. These labs must align with the National Curriculum Framework to ensure students are inspired by creativity, inquisitiveness, and innovation, meeting NEP guidelines. Higher-order labs such as Robotics/STEM learning should be avoided to focus on foundational Science and Math skills.

Vendor Requirement

- » **Previous Experience:** Documentation showcasing prior experience projects.
- » **Company/Individual Profile:** A comprehensive profile of the company or individual.
- » **Detailed Quotation:** A thorough and itemized quotation for the proposed services.
- » **Details of Past Projects:** Specific information about previous projects, highlighting relevant experience.
- » **Installation and Experience Criteria:** Evidence of capability in installation and past experience.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for establishing cutting-edge Smart Class infrastructure in schools in Kangra District In Himachal Pradesh.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti invites qualified vendors to submit Expressions of Interest and Detailed Quotations for establishing cutting-edge Smart Class infrastructure designed to enhance teachers' effectiveness and productivity while making learning experiential and engaging for students.

Smart Class Infrastructure Components:

The infrastructure may include the following

- › LED Screen (approx. 78" or 86") with multi-touch points
Interactive board
- › Central Processing Unit with keyboard and mouse as required
- › Digital content
- › Audio aid: Speaker and microphone

Multi-Computer/Device Setup:

- › SMART digital content linking with existing smart learning apps, content, and/or technologies

Key Considerations:

- › **Bi-Lingual Digital Content:** Provision of bi-lingual digital content for all standards. For areas with poor Internet connectivity, provide off-line content with long-term/permanent licenses.
- › **Teacher Training:** Train teachers on using and delivering smart classes and maintaining the equipment.
- › **Curriculum Integration:** Integrate SMART learning into the students' routine as a standard part of curriculum delivery and timetable.
- › **Maintenance Commitments:** Standard AMCs (Annual Maintenance Contracts) of the equipment may be provisioned within the project period with a commitment from school authorities for continued use of the infrastructure in the long term.

Vendor Requirement:

- › **Company/Individual Profile:** A comprehensive profile of the company or individual.
- › **Proof of Previous Experience:** Documentation showcasing prior experience in similar projects.
- › **Detailed Quotation:** A thorough and itemized quotation for the proposed services.
- › **Details of Past Projects:** Specific information about previous projects, highlighting relevant experience.
- › **Installation and Experience Criteria:** Evidence of capability in installation and past experience.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for establishing/restoring, and upgrading toilet and drinking water facilities in schools of Kangra District.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti invites qualified vendors to submit Expressions of Interest and Detailed Quotations for establishing, restoring, and upgrading toilet and drinking water facilities in schools to ensure a safe, secure, and healthy environment for students.

Toilet Facilities Specifications:

Ensure safe, uncontaminated drinking water in schools. The facilities must:

- › **Renovation and Repair:** If existing units are not functional due to poor upkeep, they should be renovated and repaired to become operational. Only if the unit is beyond repair should a new unit be proposed.
- › **Child-Friendly Design:** New units must be child-friendly with proper fittings and a running water facility.
- › **Hand Wash Area:** Taps at appropriate heights for all age groups, with proper platforms and water outlet systems to prevent water collection below the wash basin.
- › **Long-Term Commitment:** Ensure commitment from school authorities for the continued use and maintenance of the units by students.

Drinking Water Facilities Specifications:

The provision of school hygiene and sanitation ensures students' right to a safe, secure, and healthy environment. Sanitation facilities must:

- › **Repair and Refurbishment:** Limit scope to repairing and refurbishing existing structures, increasing capacity, and providing necessary water treatment.
- › **Water Purifiers:** Use appropriate capacity water purifiers maintaining ISO standards of water quality.
- › **Maintenance Contracts:** Obtain AMC (Annual Maintenance Contracts) for at least 3 years for maintaining the water filter, with a commitment from schools for long-term use and maintenance.

Key Considerations:

- › **Space Availability:** Proper selection and provision of space for the facilities within the school campus.
- › **Accessibility:** Facilities should be easily accessible and usable by students.
- › **Teacher and Staff Engagement:** Ensure that teachers and staff are willing and trained to utilize and maintain the facilities effectively.

Vendor Requirement:

- › **Company/Individual Profile:** A comprehensive profile of the company or individual.
- › **Proof of Previous Experience:** Documentation showcasing prior experience in similar projects.
- › **Detailed Quotation:** A thorough and itemized quotation for the proposed services.
- › **Details of Past Projects:** Specific information about previous projects, highlighting relevant experience.
- › **Installation and Experience Criteria:** Evidence of capability in installation and past experience.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) and Detailed Quotations for upgrading various facilities in schools, in Kangra District of Himachal Pradesh.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti invites qualified vendors to submit Expressions of Interest and Detailed Quotations for upgrading various facilities in schools to create a safer, healthier, and more stimulating learning environment for students.

Facility Upgrade Specifications:

To enhance the overall learning environment, the following activities are proposed::

- » **Repair of Doors and Windows:** Ensuring all classrooms have functional and secure doors and windows.
- » **Classroom Painting:** Freshly painted classrooms to create a conducive and attractive learning space.
- » **BaLA and Educational Paintings:** Implementing BaLA (Building as Learning Aid) work or educational wall paintings to create a colorful and educational environment.
- » **Electrical and Plumbing Fixes:** Repairing and fixing electrical and plumbing units to ensure safety and functionality.
- » **Campus Plantation:** Enhancing the school environment with green spaces and plantation within the campus.
- » **First Aid and Medical Kits:** Provision of first aid boxes and essential medical kits in schools.
- » **Incinerator Installation:** Installing incinerators within school campuses for middle schools and above to ensure sanitary disposal of waste.
- » **Awareness and Motivation Sessions:** Conducting sessions on health, education, and various social issues to engage and educate students.
- » **Mindfulness and Life-Skills Classes:** Providing mindfulness and life-skills education to foster students' overall development.

Vendor Requirement:

- » **Company/Individual Profile:** A comprehensive profile of the company or individual.
- » **Proof of Previous Experience:** Documentation showcasing prior experience in similar projects.
- » **Detailed Quotation:** A thorough and itemized quotation for the proposed services.
- » **Details of Past Projects:** Specific information about previous projects, highlighting relevant experience.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for developing a website and e-commerce platform

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti is on the lookout for a visionary web development expert to create a state-of-the-art website for our disability-inclusive Farmer Producer Organization (FPO) in Dehradun, Uttarakhand. This website will be the digital face of our FPO, embodying our commitment to inclusion and empowerment.

Website Features and Technical Specifications:

- » **Responsive Design:** A sleek, user-friendly interface that adapts seamlessly to different devices and screen sizes.
- » **E-commerce Platform:** An intuitive online store with detailed product pages, customer reviews, and a seamless shopping experience.
- » **Order Management System:** A robust back-end system to manage orders, inventory, and customer data efficiently.
- » **Payment Gateway Integration:** Secure and versatile payment options, including credit/debit cards, net banking, UPI, and wallets.
- » **Accessibility Features:** Compliance with WCAG 2.1 standards to ensure the website is accessible to all users, including those with disabilities.
- » **SEO Optimization:** Implementation of the latest SEO techniques to improve visibility and drive organic traffic.
- » **Content Management System (CMS):** An easy-to-use CMS for timely updates and content management.
- » **Analytics and Reporting:** Tools to track performance, user engagement, and sales metrics.
- » **Security Measures:** Advanced security protocols to protect sensitive data and transactions.
- » **Customer Support Integration:** Live chat, AI chatbots, and support ticket systems for real-time assistance.

Desired Qualifications:

- » **Proven Expertise:** A portfolio demonstrating experience in developing high-caliber websites with e-commerce capabilities.
- » **Technical Savvy:** Familiarity with the latest web technologies and trends.
- » **Innovative Approach:** A creative mindset to deliver a unique and compelling digital experience.
- » **Understanding of Inclusion:** A deep understanding of disability-inclusive practices in web design.

Interested firms/individuals are requested to submit their expression of interest along with the following documents:

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for supply of Agri Equipment for establishment of Agri Tool bank.

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti is inviting expressions of interest from reputable vendors for the supply of essential farm equipment to establish an Agri-Tool Bank in **Sulah Block, Kangra District, Himachal Pradesh**. This initiative aims to empower local farmers by providing them with access to high-quality agricultural tools.

Agri-Tool Bank Objectives:

- **Inclusion:** Incorporate women-headed families and smallholders within the Village Development Committee's (VDC) purview.
- **Reduce Drudgery:** Automate labor to lessen the physical burden on farmers.
- **Increase Yields and Revenue:** Enhance crop quality and output, thereby raising farmers' income.
- **Accessibility:** Provide access to modern agricultural tools and equipment for farmers who may not be able to afford them independently.

Required Equipment:

- Power Sprayer
- Secateurs
- Pruning Saw
- Grafting Knife

Service Contract Requirements:

- **Warranty:** All equipment must come with a comprehensive warranty to ensure reliability and performance.
- **Maintenance:** Vendors must provide a maintenance service contract to ensure the longevity and optimal functioning of the equipment.

Vendor Criteria:

- **Experience:** Proven track record in supplying agricultural equipment.
- **Quality Assurance:** Commitment to delivering high-quality, durable tools.
- **Service Support:** Ability to provide prompt and efficient maintenance services.

This is an excellent opportunity for vendors to contribute to the agricultural development of the region by supporting local farmers with the tools they need to enhance productivity and sustainability.

Interested vendors are requested to submit their proposals, including detailed specifications of the equipment, warranty terms, and maintenance service plans.

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest (EOI) for Crafting Success Stories

Overview: Sanjeevani Vikas Evam Jan Kalyan Samiti, a development organization in the realm of disability-inclusive development, is inviting expressions of interest from adept firms or individuals to craft and design a collection of 50 success stories in a coffee book format (in Dehradun, Uttarakhand) showcasing the transformative journeys within our disability-inclusive projects

Project Overview:

- **Storytelling:** Narrate 50 compelling success stories that highlight the resilience and achievements of individuals benefiting from our projects.
- **Photography:** Capture evocative photographs that visually represent the positive change and impact of our initiatives.
- **Design:** The booklet should be a paragon of innovative design, reflecting the essence of disability-inclusive development.

Technical Requirements:

- **Narrative Excellence:** Exceptional storytelling skills to convey the depth of experiences and the milestones achieved.
- **Photographic Skill:** Proficiency in photography, with an ability to capture the essence of transformation and inclusion.
- **Design Innovation:** A creative and fresh approach to design, ensuring the booklet is not only informative but also visually captivating.
- **Disability Awareness:** Sensitivity towards and understanding of disability issues to ensure authentic and respectful representation.

Experience Criteria:

- **Portfolio:** A strong portfolio showcasing previous work in similar projects, especially in the non-profit or social development sector.
- **Disability Sector Work:** Prior experience in disability-inclusive projects will be highly regarded.
- **Publication Design:** Demonstrated experience in designing high-quality print publications, preferably coffee table books or similar formats.

Interested firms/individuals are requested to submit their expression of interest along with the following documents:

- Company/individual profile
- Proof of previous experience
- Detailed quotation
- Details of past projects

TENDER FOR URGENT REQUIREMENT

Sanjeevani Vikas Evam Jan Kalyan Samiti is seeking expressions of interest from experienced firms/individuals to conduct a comprehensive End Term Evaluation of our ongoing disability-inclusive project in Dehradun, Uttarakhand.

Scope of Evaluation:

- **Result Measurement:** Evaluate the project’s progress against established result measurement tables.
- **Implementation Efficacy:** Conduct an in-depth analysis of the project’s implementation efficacy.
- **Convergence and Linkages:** Evaluate and report on the convergence with government initiatives and the strength of government linkages.
- **Budget Analysis:** Compare the project’s financial outlay against the total programme budget.
- **Inclusion of Persons with Disabilities:** Assess the degree of inclusion of persons with disabilities in all programme activities.
- **Income Enhancement:** Measure the income enhancement of the target community and persons with disabilities, comparing the improvement against the baseline.
- **Business Analysis of FPO:** Perform an overall business analysis of the disability-inclusive Farmer Producer Organization (FPO), mapping the achievements and the inclusion of persons with disabilities.
- **Social and Economic Empowerment:** Evaluate the degree of social and economic empowerment of persons with disabilities.
- **Market Analysis:** Assess the popularity of FPO products among consumers.

Applicant Criteria:

- **Relevant Experience:** Must have a proven track record in conducting similar evaluations.
- **Disability Sector Expertise:** Preference will be given to individuals or firms with significant experience in the disability sector.

How to Apply:

Interested firms/individuals are requested to submit their expression of interest along with the following documents:

- Company/individual profile
- Proof of previous experience
- Detailed quotation
- Details of past projects
